Dhondge (Head Department of First Year Engineering)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Summary of the event:       | <p>An Interactive Session on "Achieving Academic Excellence" was conducted by Hon. Principal Dr. G. B. Dongre for all first-year engineering students at the Rajarshi Shahu Auditorium on 10th November 2025.</p> <p>The objective of this session was to motivate students to achieve 100% academic excellence through commitment, discipline, and consistent efforts. Hon. Principal Dr. G. B. Dongre emphasized the mission of 100% attendance, 100% quality teaching-learning process and 100% understanding and satisfaction of subject. He also shared his vision of achieving 100% academic excellence and 100% successful placements.</p> <p>Hon. Principal Dr. G. B. Dongre highlighted that "Thought, Action and Consistency" are the three essential pillars to achieving academic excellence. Principal Sir also announced a pilot project where students were encouraged to form a group of 100 students aiming for 100/100 marks in Engineering Mathematics-I. For slow learners, special Sunday practice sessions will be conducted to solve more examples and strengthen conceptual understanding.</p> |
| Objectives & Outcomes:      | <p><b>Objectives and Outcomes: -</b></p> <ol style="list-style-type: none"><li>1. To motivate students to actively participate in achieving academic excellence through discipline and dedication.</li><li>2. To promote 100% attendance ensuring continuous engagement in learning.</li><li>3. To ensure quality teaching and learning, leading to complete understanding and student satisfaction.</li><li>4. To support slow learners through special weekend practice sessions for improved performance.</li></ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

**Conclusion:**

The session concluded with great enthusiasm and active participation from students. Hon. Principal Dr. G. B. Dongre delivered an inspiring address that motivated students to take responsibility for their learning and strive toward the goal of 100% academic excellence. His vision, along with clear and practical guidance, created a strong sense of purpose among first-year students, encouraging them to pursue both academic success and professional growth.
