

A REPORT ON

STUDENT INDUCTION PROGRAM 2023-24

A Mandatory Program for all First Year Engineering Students

CSMSS

CHH. SHAHU COLLEGE OF ENGINEERING

Kanchanwadi, Chh. Sambhaji Nagar (M.S.)

CSMSS

CHH. SHAHU COLLEGE OF ENGINEERING, AURANGABAD

Name of the Department: - First Year Engineering

Name of the event:	First year Induction program
Date of the event:	21st August 2023
Participants:	All first year students
Number of students:	591
Expert(s) / Guest(s) of the event:	Dr. U. B. Shinde ,Parents
Summary of the event:	<p>Department of First Year Engineering was organized an Induction program. The orientation program was held on 21st August 2023. It was started with the welcome of the students and their parents. Followed next was lamp lightning ceremony Prof. B. S. Deshmukh, Head of the First year department was presented the preamble of the program. Principal of the college Dr. U. B. Shinde addressed the students. He exhorted students to prefer research, entrepreneurship, over on campus placement, students should try to overall development. The Principal of the Institute Dr. U. B. Shinde gave a brief presentation about the college, he introduced all the departments, Head of the Departments, faculty members and Library. He also guided the students about the University, Syllabus Structure. The first session on First Day of Induction Program include felicitation of toppers of 1st year engineering student of (2022-2023) batch.</p>
Outcome(s):	<ul style="list-style-type: none">➤ Participants came to know about the college, faculties, departments and other facilities.➤ Participants got to know about the importance of English Communication, Aptitude and Programming skills required to get placed as well as to sustain in industry.

Name of the event:	First year Induction program
Date of the event:	22nd August 2023
Participants:	All first year students
Number of students:	591
Expert(s) / Guest(s) of the event:	Mr. Kamal Rai
Summary of the event:	First session of day second of the Induction Program began with Deputy General Manager, Ahuja Hives, Mr. Kamal Rai on Miraculous Habits and its Contribution towards Careers . He inspired students to develop good habits which will turn fruitful in shaping their career. He mentioned many good habits which assist us in making our career like assertiveness, positive attitude, active listening, time management, etc. He appealed them to pay attention and listen actively which will help in understanding problems and situations. Incorporation of real life incidents in the presentation made it interesting and appealing.
Outcome(s):	Participants learnt about the importance of good habits.

Date of the event:	22nd August 2023
Participants:	All first year students
Number of students:	591
Expert(s) / Guest(s) of the event:	Prof. Kalyan Mali
Summary of the event:	The second session of the day second of Induction Program was delivered by Prof. Kalyan Mali (Deogiri College, Chh. Sambhajinagar). It was delivered through regional language, Marathi on Hindavi Swarajya chi Pehili Rajdhani Rajgad for first year students. In view of induction program for first year students, a special talk was organized to make them aware about the history of Great Maratha Emperor, Chhatrapati Shivaji Maharaj. He emphasized on the role of Great Maratha emperors in obtaining freedom for people and declaring Rajgad as the first capital of Hindavi Swarajya.
Outcome(s):	Participants learn about the rich heritage and culture of Maharashtra through the life stories of Chhatrapati Shivaji Maharaj.

Date of the event:	25th August 2023
Participants	All first year students
Number of students:	591
Expert(s) / Guest(s) of the event:	Prof. Surase
Summary of the event:	<p>The fifth day, session second was delivered by Prof. Surase. Assistant Professor, CSMSS CSCOE on Universal Human Values. Starting with identification of basic human aspirations such as happiness and prosperity in continuity, the discussion was focused on the appropriate programme to fulfill these enabling to live a fulfilling life. Understanding harmony at various levels starting from the human beings and spanning up to the whole existence forms the core contents of value education. Finally, the important implications of 'right understanding' in life and profession are adequately elaborated. Unlike the conventional treatment, the issues in professional ethics are analyzed in the context of right understanding thereby enabling the resolution of various ethical dilemmas.</p>
Outcome(s):	Student learn about universal human values.

SUMMARY OF STUDENT INDUCTION PROGRAM:

The purpose of the Student Induction Program is to make new students settle and feel comfortable in new academic environment, inculcate values, ethics and culture of the institution. It also aims at building a bond between students and faculty members, and providing a space for self-exploration.

As per the guidelines of All India Council for Technical Education (AICTE) and Dr. Babasaheb Ambedkar Technological University, Lonere; One Week Online Induction Program for First Year Students admitted in Academic Year 2023-24 was conducted during **21st August 2023- 26th August 2023.**

In the inaugural function of the Induction Program for Academic Year 2023-24 begins with preamble of the program proposed by Head of the First Year Department, Prof. B. S. Deshmukh, where he welcomed the students and their parents and introduced First Year Department to the audience. The Head of the Institute, Principal, Dr. Ulhas B. Shinde warmly welcomed students and their parents. He introduced CSMSS CSCOE to all of them through a Power Point Presentation. In the presentation, he has focused on the values, ethics, culture and legacy of the institute. He also briefed about the Vision and Mission of the institute. He exhorted that everyone should prefer research, innovation and entrepreneurship over the campus placement. He also urged participants to think about all round development. He introduced all the Head of the Departments, faculty members, and library staff to the audience and has briefly guided about university syllabus structure, and assessment parameters. The participants were given the information about the institute, faculty members, departments, library resources, best academic practices and other major facilities available in the institute for its stakeholders.
