REPORT ON

Engineers' Day Celebration

Date: 15/09/2025

Time: 03:00 PM to 05:00 PM

Venue: Seminar Hall (A-204), 2nd Floor, A Building, CSMSS Chh. Shahu College of Engineering,
Chh. Sambhajnagar (M.S)- 431011

Goal:

- The goal of the event was to celebrate National Engineers' Day by honouring student achievements, encouraging creativity and promoting the spirit of engineering among students.
- It also aimed to create an engaging and interactive platform for both faculty and students.

Objective: The main objectives of the Event are as follows:

1. To commemorate the birth anniversary of Sir M. Visvesvaraya and spread awareness about his contributions to engineering.
2. To felicitate toppers of the department and recognize academic excellence.
3. To provide students with a platform to express their thoughts and creativity through speeches and activities.
4. To foster interaction between faculty and students in an engaging environment.
5. To encourage participation in technical and fun activities that develop problem-solving and innovative thinking.

Benefits to Students: Following mentioned are some benefits that students got through this program.

1. Recognition of toppers motivated students towards better academic performance.
2. Students got exposure to public speaking and stage presence.
3. Participation in games enhanced teamwork, creativity, and decision-making skills.
4. Students learned the importance of honouring dignitaries and traditions like Saraswati Vandana.
5. Informal interactions over snacks strengthened bonding between faculty and students.
6. The event created a sense of belonging and unity within the department.

About the Event:

The Celebration Program was conducted on the Occasion of "**National Engineers Day (2025)**" at Dept. Of Electronics Engineering (VLSI D&T), CSMSS Chh. Shahu College of Engineering was organized by Students Association of VLSI Engineers (SAVE) on 15th September 2025 (Monday).

1. The program began with a warm welcome to HoD Sir, faculty members, and all department students at 3 PM in the afternoon.
2. The cultural start was marked by Saraswati Vandana recitation by Ms. Aditi Mule and Ms. Shravani Sable of 2nd Year.
3. Dignitaries on the dais- Dr. Shrikant J. Honade, Dr. Jitesh Shinde, Prof. Tushar Mohije, Prof. Gaurav

- Bhalekar & Prof. Komal Dandge were felicitated with flowers by students as a gesture of respect.
4. Academic excellence was recognized by felicitating toppers of 2nd and 3rd year based on DBATU examination results.
 5. The toppers delivered short speeches sharing their journey and motivating peers.
(From 3rd Year – Ms. Ashwini Divekar & From 2nd Year – Mr. Prasad Desale)
 6. A special Engineers' Day address was delivered by Ms. Tanushree Sherkar, followed by an inspiring speech by HoD Sir, Dr. Shrikant J. Honade.
 7. To bring fun and creativity, two engaging games were conducted –
 - a) Treasure Hunt &
 - b) Engineers' Shark Tank.
 8. Winners of the games were felicitated, and the program concluded with a Vote of Thanks delivered by Prof. Komal Dandge.
 9. Meanwhile, refreshments (samosa) were served to students and faculty, making the event more enjoyable.
 10. Anchoring was skillfully handled by Mr. Prasad Desale (2nd year) and Ms. Pranjal Kapkar (3rd year), ensuring smooth flow of the event.

❖ WINNERS OF THE GAMES CONDUCTED: -

A) Treasurer Hunt: -

- Ms. Aditi Muley (S.Y)
- Ms. Anjali Sable (S.Y)
- Ms. Naina Vishvakarma (S.Y)
- Ms. Khushi Oza (S.Y)

B) Engineer's Shark Tank: -

- Ms. Prema Salve (T.Y)
